## Plant Trivia

- My insides are soft and fluffy. My edges have points that are sharp enough to cut. Which crop am I?
- My leaves are long and razor sharp. My stalk tastes very sweet. Which crop am I?
- My seed pods look like tiny bananas. My leaves are small and green, but I make a blue dye. Which crop am I?

## Draw a line to match the name with the plantation building.

Barn                      Owner's House                      Slave's House                      Kitchen

## Africa

Anna Kingsley was born in Senegal. She was taken to be a slave. Zephaniah Kingsley purchased her at a slave auction. Five years later, Anna was given her freedom. Most slaves did not find freedom like Anna Kingsley did.

1. On the world map below, circle and label the continents of Africa and North America.
2. Label the Atlantic Ocean.
3. Draw a line between the Africa and Florida. This is one of the routes traveled by ships carrying slaves.

### Question:

How long do you think it took for a ship to cross the Atlantic?

(Ask a ranger how long the trip took and what the living conditions were like on the ship for slaves during the Middle Passage between Africa and the Americas.)
